

MOUNTAIN CLASSROOM

Mountain Classroom

Mountain Classroom is an academically promising program that complements classroom lessons and annual academic goals with experiential learning. It empowers the conventional learning process by using the power of the environment.

Mountain Classroom is an add-on to the school classroom. Full of fun with nature and surrounding biodiversity, it enables a well-balanced education with environment and adventure.

The inspiring natural world and experiential methods of learning help students achieve their academic goals through active learning.

Classes: V – XII

**Cost per Student: Rs. 1000 / day
(inclusive of local traditional
